

A 3x2 grid of six apples, each showing a different color variation (red, yellow, green, and combinations) to illustrate the effect of different color channels. The apples are arranged in two columns and three rows. The top row shows a red apple on the left and a yellow apple on the right. The middle row shows a green apple on the left and a red apple on the right. The bottom row shows a yellow apple on the left and a red apple on the right. The background is a light gray grid.
